Working Group Meetings: Are organised by the working group leads in co-ordination with SEI or SWH take place in parallel to the Stockholm Water Week. Ideally they take place before the Tuesday plenary meeting – so that the WG can present their results there.

On Sunday, 16th August 2009, 17:45 –19:45 the SuSanA side event at the Stockholm Water Week takes place (<http://tinyurl.com/n8gbrx>) . It is followed by a meeting of the core group members from 20h to 22h [Talk Hotel beside the WWW Stockholm Fairs location].

On Tuesday, 18th August 2009, 17:45 – 21:30h the SuSanA plenary meeting takes place – the agenda of which is given below.

This SuSanA plenary meeting has the following main functions:

- Inform and **discuss the current DRAFT of the SuSanA Vision document 2** “Sustainable pathways to reach the sanitation MDGs”
- Allow newcomers and partners to **get a quick overview on what goes on in the SuSanA working groups**, to invite (new) partners to join working groups, to help “dormant” working groups get going
- to **coordinate/decide on the future of SuSanA** (next meeting, SuSanA's-presence in future events, structural changes) based on the report from the core group meeting

Note: Refreshments will be served already before the meeting from 17:45h onwards.
