

sustainable sanitation alliance

Agenda

10th meeting of the
Sustainable Sanitation
Alliance (SuSanA)

Side-event
Stockholm • 16 August 2009

Sanitation systems and their links to climate change, food security, and urban development - The Sustainable Sanitation Alliance (SuSanA): A learning network

The Sustainable Sanitation Alliance (SuSanA) invites you to a side event to showcase its current and future activities. SuSanA partners will introduce the network, discuss its roadmap and highlight results from several thematic working groups. The aim is to inform interested parties to become active in this wide ranging Alliance.

Leading convenors : Sustainable Sanitation Alliance (SuSanA) - GTZ
Co-convenors : SEI-EcoSanRes, Eawag-Sandec, WB-WSP, UN- Habitat

contact: Arno Rosemarin (SEI) Tel: ++46 (0) 8 674 7430 Email: arno.rosemarin@sei.se
